

**COURSE TITLE:** Intermediate Dance

Level of Difficulty	Estimated Homework	Prerequisites
Difficult	0-30 Minutes	<b>District:</b> Beginning Dance or Prior Dance Training & Knowledge  <b>Department Suggestion:</b> Dance Instructor Approval Required for Enrollment

**Course Description:**

Dancers at this level already attain an understanding of various dance styles both cognitively and physically. There will be a strong emphasis on ballet, jazz, and modern training as well as continued exploration with hip-hop, stylized jazz, and contemporary dance styles. Ballet Barre and conditioning with equipment is the core basis for this course. The intention of this class is to help dancers attain their technical goals and progress towards future dance aspirations on and off campus. Towards the end of the course students will focus on improve skills and complete choreography projects both as an individual and through group work.
