

CVUSD Student District Advisory Council (SDAC)

Goals of SDAC

- Implement a district-wide system where student voice is heard with actions that support positive student outcomes. (LCAP Goal #1)
- To create a diverse student community that is welcoming and inclusive where everyone is safe, respected and valued. (LCAP Goal #4)
- Through this diverse student community, provide communication and targeted outreach that informs the BOE of opportunities that support positive student outcomes. (LCAP Goal #3)

Work to date

- Researched model programs across the state
- CVUSD High School site visits to meet with students.
- Students inform site administration if interested
- High School Director and site administration met to discuss selection criteria in order to have a diverse group of student representatives.
- Follow-up meeting with student representatives to plan for initial meeting in May

Opportunities for Students:

- Student reps meet quarterly with Superintendent, Assistant Superintendent and Director to discuss:

- Policies

- Strategic Planning

- Equity

- Community & Events

- Student reps meet periodically with their Principals to:

- Work on inclusive activities

- Plan school wide movements and change.

- Plan school wide reading activities
