- Accelerated Health and PE for students with an IEP - 74 students (94% pass rate)
- Accelerated PE, Health, or World History for English Learners - 108 (94% pass)

Extended School Year (ESY)

ESY services are special education and related services that are provided to students as determined in their individualized education plans (IEPs). Services are intended to help maintain skills and routines that students have learned during the regular school year.

<u>ESY Locations</u>	<u>2022</u>	<u>2023</u>
Be Me Preschool	50	80
Aspen (TK-8)	93	113
Westlake HS (9-Post Secondary)	59	85

English Learner Programs

- **Elementary and Secondary Level Summer Programs**
 - Emerging, Expanding, and Bridging English Learners participated in different summer school programs focused on learning loss and acceleration.
- **Number of Students**

<u>Locations</u>	<u>2023</u>
Walnut Elementary	105
Glenwood Elementary	184
Los Cerritos Middle School	192
Westlake High School (9-12)	214 English Learners
(Accelerated Learning Focus)	108 English Learners
(Language Development Focus)	34 Newcomers

English Learner Programs

- **Instructional Focus**

- Ensured that English Learners continued to receive instruction during the summer to prevent learning loss and increase their literacy skills
- Provided the opportunity to English Learners to accelerate their learning for high school credit through different course offerings

- **Courses Offered**

- English Language Development
- English Language Arts and Math Intervention
- Health (Accelerated Class)
- Physical Education (Accelerated Class)
- World History (Accelerated Class)
- Science, Technology, Engineering, Math (STEM)

Early Back Intervention

- August 14-18
- Students in grades K-5 were explicitly invited based on unique needs to participate in the five-day program
- Three classes each at Acacia, Conejo, and Walnut
 - Transportation provided to those in need
- Welcomed students back, revisited essential skills in ELA and math, and built executive functioning and social-emotional learning skills while keeping it fun!
- All 75 students left with backpacks filled with school supplies to start the school year, thanks to community partner donations
