\*Students must take 2 semesters of CTE (Career Technical Education, Visual/Performing Arts (VPA), or Language Other Than English for graduation. All 10 credits must be in the same category.

# THE IMPACT OF RECLASSIFICATION

- Increased access to A–G/College Prep courses
- Allows for more class options due to space for electives
- Flexibility in schedule

## HOW TO RECLASSIFY

# HOW TO MEET THE ENGLISH REQUIREMENT FOR STUDENTS WHO STILL REQUIRE AN ELD COURSE

## B) English

UC-approved high school courses

Four years of college-preparatory English that include frequent writing, from brainstorming to final paper, as well as reading of classic and modern literature. No more than one year of ESL-type courses can be used to meet this requirement.

High School  
Spanish 2

High School  
Language 1

High School  
Language 2

Language Dual  
Enrollment Course at  
Community College

Language of instruction  
through 6th grade or  
higher

Testing  
AP or IB

## Language Options at CVUSD High Schools:

- Spanish
- French
- ASL
- Japanese
- Chinese

Students can  
test into level  
2

# DUAL ENROLLMENT

- Alternative way to be “college-ready”.
- Dual enrollment is when students are enrolled in high school and college at the same time.
- Students can earn credits for both high school and college.
- Relatively low cost– tuition is free!
  - Must pay a fee– approximately \$40
  - May have to pay for textbook– though many classes have no fee for textbooks!

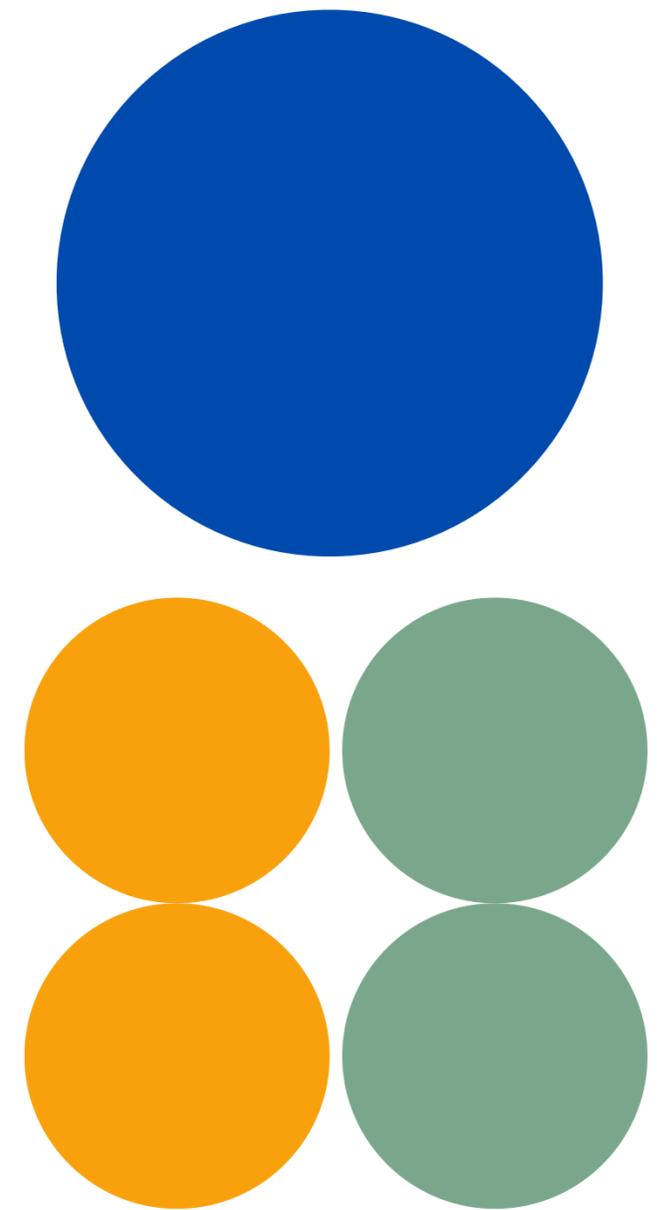

Oxnard  
College

# HOW TO SUPPORT YOUR STUDENT

- Encourage your student to do their best
- Stay connected throughout all their school stages (Q, Canvas, Newsletters, Parent Nights, Social Media, Email)
- Emphasize the important of reading
- Connect to support early
- Check grades on Q/Canvas regularly
- If changing a class in high school, ask counselor about impact on A–G status and future plans
- Encourage your student to attend tutoring centers
- Look for A–G class indicators when filling out registration forms
- Utilize [californiacolleges.edu](http://californiacolleges.edu) parent account

# ACADEMIC SUPPORTS & RESOURCES

### CSU GPA

You're currently meeting the minimum GPA requirement for all CSU campuses. Great job!

Your CSU GPA is based on the grades you earn in all "a-g" courses you complete after 9th grade (including the summer before 10th grade). "UC Honors Approved" courses receive one extra point in the calculation.

Learn more about how the CSU calculates your GPA.

Your courses and grades come from your school district. Transcript data was last submitted on 04/17/2024

### Your "a-g" Progress for CSU

You are making good progress towards completing both your total years of "a-g" courses and subject area courses for your grade level.

Based upon successful completion of coursework this term, you are on target to meet CSU eligibility, but you must complete your current coursework with a C- or better.

## THINGS TO KNOW

The CSU Eligibility Tool helps you track your progress toward meeting eligibility for CSU by listing required coursework on the far left and comparing it to your completed and enrolled coursework. To ensure you stay on track, use this tool to also plan for future courses that are offered at your school and help satisfy CSU requirements.

All of your coursework on the Eligibility Tool will be color-coded with each color representing something different so be sure to study the legend below carefully.

The University of California (UC) Course Management Portal (CMP) is a website where all your "a-g" courses are tracked by both the CSU and UC. Your school district enters courses into UC CMP. If you see a course in yellow on your CSU and UC Eligibility Tools, this means your school has labeled the course as "a-g", but it is not listed in UC CMP. Talk with your counselor to learn more when you see courses in yellow.

To learn more about the CSU eligibility requirements, see [Prepare to Meet Eligibility Requirements for CSU](#).
