# Roles and Responsibilities of Family Life Committee

- When was it constituted?
  - Established by Board Action on November 11, 1987
- When did it last meet?
  - November 21, 2011 - reviewed grade 4-6 Human Growth and development videos, approved purchase, & previews
- What did the FLC do?
  - Reviewed supplementary Materials and made recommendations to the Board of Education

# Community Member Request

A Community member submitted a written request that the Board of Education consider a revision to BP 6142.1 Sexual Health and HIV/AIDS Prevention Instruction.

# Community Member Provided Materials

A Community member provided the District with materials designed to support TK-6 diversity instruction.

A young boy in a white shirt is playing a trumpet. He is looking down at the instrument. In the background, other students are visible, some also playing instruments. The scene is set in a school band room.
