About Me

Welcome to Art! This is my 7th year teaching art at Aspen and my 15th year as a credentialed teacher in CVUSD. I am a product of our amazing district and a proud Arizona Wildcat! In my spare time, I love to travel (New York and Hawaii are my favorites!), cheer on the Dodgers, and see lots of local and Broadway theater (and sometimes perform in shows too!) I stay plenty busy with my husband Bryan, our dog Princeton, and my two daughters (4th and 8th grades). I absolutely LOVE teaching art to all my Roadrunner artists and hope they enjoy the process and find that the Aspen Art Room is their happy place! MEEP MEEP!

Fun Facts

* I was Wilma Wildcat, the mascot at Univ. of Arizona!
* My favorite art movements are pop art and Impressionism.
* My favorite food is NY pizza and real gelato!

ART HAS THE ROLE IN EDUCATION OF HELPING CHILDREN BECOME LIKE THEMSELVES INSTEAD OF MORE LIKE EVERYONE ELSE.

The Art Program

Thanks to the Aspen PFA, Art is funded by your generous donations and fundraisers. Every class visits the Art Room once per month for an hour. Students learn about an artist or movement of art, complete an art project based on the artist/movement, and then enjoy discussion or a gallery walk to wrap up the learning. Typically, the core curriculum is integrated into the art lesson so that artists can make a connection between the explorations taking place in their home room and the creative process of art. Artists are not graded based on skill or ability, but on listening and following directions, creative effort, and a positive attitude to try new things!

Art Needs YOU!

Volunteer during your child's art class! You don't have to be artsy! Just turn in all your regular volunteer paperwork and let your child's teacher know! Your help is valued!
