Welcome to Kindergarten!

BANYAN ELEMENTARY

"Every year my teachers have helped me be very successful!"

- Davis, 5th grade

OUR PROGRAMS

Art EDUCATION

- Monthly Art of the Masters lessons focused around a famous artist and taught by a parent docent
- Weekly music lessons and performances throughout the year
- Monthly clay projects which are fired in our kiln to be saved for a lifetime of Kindergarten memories
- Dance collaboration with the NPHS IB Dance Team

The Kindergarten program at Banyan is second to none. The teachers and staff all work so hard to ensure that the children are academically challenged, emotionally supported and, above all, are a part of a safe and loving environment.

- Lindsey, Bobcat Parent

Students are met where they are with the Kindergarten standards.

Lessons are leveled and differentiated to meet the needs of all learners.

The school-wide PAWS program provides daily enrichment and intervention to support all students.

Individualized Learning

Push-in field trips to enhance the curriculum

Weekly school-wide Bobcat assemblies and monthly award assemblies

PTA-sponsored assemblies and events

Assemblies & Field

Trips

"When I drop my kids off at school, I feel like everybody on campus, from the teachers to the office staff, treats my child the way they would treat their own children."

- Lauren, Bobcat Parent

TECHNOLOGY

Integrated technology lessons in every classroom

Weekly visits to the Computer Lab and Makers' Space.

Each Kindergarten classroom is equipped with a SMARTboard and a variety of desktops, Chromebooks, and iPads for workshop time.

"I like writing sentences and making books. I like doing crafts. I like having people around to take care of me, like the campus supervisors."

- Mollie, K

AND MORE...

PE classes taught by a trained PE professional twice a week
