

Celebrate Crossing Guard Appreciation Week

March 18-24, 2024

The City of Thousand Oaks employs over 30 part-time crossing guards who help facilitate school student crossings at 24 designated intersections citywide, twice a day, five days, rain or shine!

Join us in celebrating Crossing Guard Appreciation Week.

Here are a few ways to express your thanks:

WRITE IT DOWN

Express your gratitude by writing (or drawing) your words of appreciation on paper.

SAY IT IN PERSON

Walk or bike to school and thank your guard in person. Don't forget to give them a high-five!

LISTEN TO YOUR GUARD

One of the easiest ways to express your appreciation year-round is by always listening to your school Crossing Guard. They're there to help you cross safely.
