

Reality Party for Parents

Exposing Today's Teen Party Culture

Why Parents?

Our goal is to help promote relevant and meaningful conversations between parents/guardians and their teens on these difficult topics. We also encourage discussions among parents/guardians along with the sharing of family and community strategies to help keep our children and youth safe and healthy.

What You Will See at a Reality Party

Reality Parties are open to the public (adults only) and are FREE. Participants will tour through a Thousand Oaks home set up to portray a teen party with youth actors voicing concerns expressed by local teens and young adults.
