## 2024-2025 Open Enrollment Legal Notices

### Understanding Your Rights: Read All Notices

#### Special Enrollment Notice

If an eligible employee declines enrollment in this group health plan for the employee or the employee's spouse or dependents because of other health insurance or group health plan coverage, the eligible employee may be able to enroll him/herself and eligible dependents in this plan if the employee or dependents lose eligibility for the other coverage (or because the employer stops contributing toward this other coverage). However, the eligible employee must request enrollment within 30 days after the other coverage ends (or after the employer ceases contributions for the coverage).

In addition, if an eligible employee acquires a new dependent as a result of marriage, birth, adoption or placement for adoption, the eligible employee may be able to enroll him/herself and any eligible dependents, provided that the eligible employee requests enrollment within 31 days after the marriage, birth, adoption, or placement for adoption. If the eligible employee otherwise declines to enroll, he/she may be required to wait until the group's next open enrollment to do so.

To request special enrollment or obtain more information, contact Liz Grigsby at 805.498.4557 ext. 7411.

#### Loss of Other Health Coverage

For purposes outlined above, loss of other health coverage is defined as an employee, or a dependent of an employee, losing **other** health coverage, therefore triggering a special enrollment opportunity in the group health plan. This may be a result of:

- The employee or dependent must have had other health coverage when he or she previously declined coverage under our group health plan.
- If the other coverage was COBRA continuation coverage, special enrollment can be requested only after the COBRA continuation coverage is exhausted.
- If the other coverage was not COBRA continuation coverage, special enrollment can be requested when the individual **loses eligibility** for the other coverage.

#### Health Insurance Portability and Accountability Act (HIPAA)

Conejo Valley Unified School District recognizes the confidentiality of you and your enrolled dependents' personal health information, and we are committed to keeping that information private. In addition to our company's commitment, in April 2003, the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA) established privacy rules for individually identifiable health information.

The Standards for Privacy of Individually Identifiable Health Information (Privacy Rule) established a set of national standards for the protection of certain health information. The U.S. Department of Health and Human Services (“HHS”) issued the Privacy Rule to implement requirements under HIPAA.

The Privacy Rule standards address the use and disclosure of individuals’ health information—called “protected health information” by organizations subject to the Privacy Rule—called “covered entities,” as well as standards for individuals’ privacy rights to understand and control how their health information is used. A major goal of the Privacy Rule is to assure that individuals’ health information is properly protected while allowing the flow of health information needed to provide and promote high quality health care and to protect the public’s health and wellbeing. The Rule strikes a balance that permits important uses of information, while protecting the privacy of people who seek care and healing.

**General Notice of Pre-Existing Condition Exclusion**-*Effective for plan years beginning on, or after January 1, 2014, group health plans are not permitted to exclude individuals from coverage or limit or deny benefits on the basis of preexisting medical conditions. (The prohibition on exclusions of children under 19 years of age on the basis of pre-existing conditions began 6 months from the date the law was enacted.)*

### **Newborns' and Mothers' Health Protection Act of 1996**

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

**Women’s Health and Cancer Rights Act**-If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the following deductibles and coinsurance apply: Please refer to your benefit plan summary.

If you would like more information on WHCRA benefits, call your Plan Administrator or the health care plan whose number is located on the back of your ID card.

**Patient Protection Disclosure – Notice of Right to Designate a Primary Care Provider**-Your HMO plan (if applicable) generally require the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. Until you make this designation, the plan or carrier designates one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, you may contact member services at the number listed on the back of your ID card. You do not need prior authorization from your health plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network that specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact member services at the number listed on the back of your ID card. For children, you may designate a pediatrician as the primary care provider.

**California Maternity Coverage**-Group health plans and health insurance issuers with policies or contracts issued in the State of California generally may not, under California law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, the law generally does not prohibit the mother's or newborn's treating physician, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In addition, California law requires the Plan to cover a post-discharge follow up visit for the mother and newborn within 48 hours of discharge when prescribed by the treating physician. The visit shall be provided by a licensed health care provider whose scope of practice includes postpartum care and newborn care. The visit shall include, at a minimum, parent education, assistance and training in breast or bottle feeding, and the performance of any necessary maternal or neonatal physical assessments. The treating physician shall disclose to the mother the availability of a post-discharge visit, including an in-home visit, physician office visit, or plan facility visit. The treating physician, in consultation with the mother, shall determine whether the post-discharge visit shall occur at home, the plan's facility, or the treating physician's office after assessment of certain factors. These factors shall include, but not be limited to, the transportation needs of the family, and environmental and social risks.

Furthermore, the Plan may not:

- Reduce or limit the reimbursement of the attending provider for providing care to an individual enrollee in accordance with the coverage requirements.
- Provide monetary or other incentives to an attending provider to induce the provider to provide care to an individual enrollee in a manner inconsistent with the coverage requirements.
- Deny a mother or her newborn eligibility, or continued eligibility, to enroll or to renew coverage solely to avoid the coverage requirements.
- Provide monetary payments or rebates to a mother to encourage her to accept less than the minimum coverage requirements.
- Restrict inpatient benefits for the second day of hospital care in a manner that is less than favorable to the mother or her newborn than those provided during the preceding portion of the hospital stay.
- Require the treating physician to obtain authorization from the Plan prior to prescribing any services covered by this section.

# Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2024. Contact your State for more information on eligibility –**

## Important Notice From Conejo Valley Unified School District About Your Prescription Drug Coverage and Medicare

**This Notice Applies to You (or Dependent) ONLY if such person is (1) enrolled in a group medical plan offered by Conejo Valley Unified School District AND (2) eligible for Medicare.**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Conejo Valley Unified School District and about your options under Medicare's prescription drug coverage. This information can help you decide whether you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Conejo Valley Unified School District has determined that the prescription drug coverage offered by Conejo Valley Unified School District group medical plans are, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and **is therefore considered Creditable Coverage**. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

### When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage,

through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### **What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?**

If you decide to join a Medicare drug plan, your current Conejo Valley Unified School District coverage **will not** be affected. If you do decide to join a Medicare drug plan and drop your current Conejo Valley Unified School District coverage, be aware that you and your dependents will be able to get this coverage back if there is a qualified status change or during the annual open enrollment period.

### **When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?**

You should also know that if you drop or lose your current coverage with Conejo Valley Unified School District and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

### **For More Information about This Notice or Your Current Prescription Drug Coverage**

Contact the person listed below for further information or call Liz Grigsby at 805.498.4557 ext. 7411.

**NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Conejo Valley Unified School District changes. You also may request a copy of this notice at any time.

### **For More Information About Your Options Under Medicare Prescription Drug Coverage**

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

Visit <http://www.medicare.gov>

Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.

Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at <http://www.socialsecurity.gov>, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

# New Health Insurance Marketplace Coverage Options and Your Health Coverage

---

## PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer.

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

**Can I Save Money on my Health Insurance Premiums in the Marketplace?** You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.<sup>1</sup>

**Note:** *If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage-is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.*

**How Can I Get More Information?** For more information about your coverage offered by your employer, please check your summary plan description or contact Liz Grigsby at 805.498.4557 ext. 7411.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

---

An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

## PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name Conejo Valley Unified School District		4. Employer Identification Number (EIN) 95-2868899	
5. Employer address 750 Mitchell Road		6. Employer phone number 805.498.4557	
7. City Newbury Park	8. State CA	9. ZIP code 91320	
10. Who can we contact about employee health coverage at this job? Liz Grigsby			
11. Phone number (if different from above) (805) 498-4557 ext. 7411		12. Email address egrigsby@conejousd.org	

Here is some basic information about health coverage offered by your employer.

### ✓ Eligible employees

As your employer, we offer a health plan to all eligible employees.

- Eligible employees are those that work 30+ hours or more per week.

### ✓ Dependents

As your employer, we offer coverage to eligible dependents. Eligible Dependents include:

- Legal Spouse/Domestic Partner
- Your Children to age 26
- Your dependent children of any age if they depend on you for support due to a physical or mental disability.

If the above are checked, this coverage meets the minimum value standard and the cost of this coverage to you is intended to be affordable based on employee wages.

*\*\*Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.*

*If you decide to shop for coverage in the Marketplace, <http://www.HealthCare.gov> will guide you through the process. Here's the employer information you'll enter when you visit <http://www.HealthCare.gov> to find out if you can get a tax credit to lower your monthly premiums.*
