

# WESTLAKE HIGH SCHOOL DAILY Announcements

Apr 24, 2024

Hey Warriors, it's Anthony and Sydney, and it's time for your daily announcements!!

This week is permanent schedule week. Please see your counselor during nutrition and lunch if you want to make any changes to your course request, with the exception of dual enrollment courses. This will be your last opportunity to change your schedule request for the next school year.

Our award-winning Westlake High School Choir Department is holding auditions next week! You can audition for three choirs, two of which offer honors credit. If interested, contact Mrs. Rolniak in room 21 N. Want to do choir but not interested in auditioning, just see your counselor about adding Concert Choir to your schedule.
