We are a non-profit organization established in 1979 to make scholarships available to graduating students and to promote academic achievement at Newbury Park High School.

100% of your donation will be given to students. We help kids.

In 2022, we awarded 32 scholarships to NPHS seniors!

This was possible only with the generous donation of time and money by many caring members of our community. Please help us maintain and grow this noble tradition. Become a member and/or join the committee.
