- Plan we work on all year
- Dr. Craven worked over the summer on it to finalize last year's data
- Reviewed Data
  - We need to set realistic goals
  - In some circumstances, it's a 3% increase, in some it may be to maintain
  - It's not the same group of students, but we want our current grade levels to perform at the same or better each year in that grade level.
  - Goal 2 looks at students with disabilities
    - We look at where we are helping them achieve goals
    - Least restrictive environment
  - We need to have a plan to decrease chronic absences
    - Discussion of action goals to help decrease chronic absenteeism
  - Goal 3
  - Annual Measurable Outcomes
