## Introduction to the Anonymous Question Box:

The Anonymous Question Box is a way for students to ask questions that they may not feel comfortable asking during class time, though students are encouraged to ask lots of questions during class time as well.

## Anonymous Question Box Guidelines:

- Everyone must put a paper in the box. If students do not have a questions at that time, they can write a statement about what they learned in class that day, a specific topic of interest, or write "no question". This ensures questions remain anonymous.
- No Names. Questions are anonymous and are not to be used t hurt or embarrass others. Questions with names on them will not be read out loud.
- No personal questions of the instructor.
- Nobody can take anything out of the Question Box, except for the instructor.
